Professional Experience

Office for Undergraduate Education, Emory College of Arts and Sciences

Atlanta, GA, United States

Graduate Assistant and Examination Proctor

November 2025-Present

- Supported accommodated testing administration by proctoring in-person exams, preparing and organizing materials, labeling and scanning completed exams and communicating time-sensitive student issues to OUE and course faculty in accordance with exam protocols.

Rollins School of Public Health, Emory University

Atlanta, GA, United States

Teaching Assistant, DrPH 710

August 2025-December 2025

- Managed course operations and supports course designs for the inaugural DrPH Program Planning and Evaluation course, including Canvas setup, assignment coordination and student communications.
- Used standardized rubrics to support consistent grading, refine workflows, and deliver clear written feedback.
- Held weekly office hours to explain complex concepts in accessible language and support student problem-solving.
- Guided students in applying evidence-based planning and evaluation frameworks to develop structured evaluation and sustainability plans.

Sri Madhusudan Sai Institute of Medical Sciences and Research

Bengaluru, India

Postnatal Education Intern (Global Field Experience Award)

June 2025-September 2025

- Designed a monitoring and evaluation framework and conducted investigations into postnatal counseling quality and breastfeeding skill uptake in inpatient wards.
- Analyzed routine ward data to identify differences in outcomes by delivery type (cesarean vs vaginal) and counseling exposure; prepared reports summarizing trends for clinical leadership.

- Translated findings into practical recommendations and summary reports to strengthen follow-up workflows and standardize education practices.

Orthosquare Multispecialty Dental Clinic

Non-Clinical Intern: Content Creator and Marketing

Mumbai, India
August 2022-October 2022

- Conducted competitor research and authored digital content to improve patient outreach and education

Dr Ajay Patel's Dental Clinic

Clinic Intern

Mumbai, India
May 2021-November 2021

- Evaluated OPG, periapical radiographs, and CBCT scans for 50+ implant planning cases
- Researched dental materials and collaborated with patients to optimize treatment outcomes

Paramshetty's KDC Hospital

Resident Dentist

Bangalore, India
May 2019-June 2021

- Managed outpatient care for 1,500+ patients, maintaining detailed dental records
- Led emergency dental care across three clinics during the COVID-19 pandemic, ensuring continuity and safety

Dr Gala's Dental Clinic and Implant Centre

Assistant Dentist

Mumbai, India
February 2019-April 2019

- Assisted in 5 major surgeries and supervised post-operative recovery care
- Executed 15+ supervised minor treatments (root canals, extractions) and performed X-ray diagnostics

MGM Dental College and Hospital

Intern

Navi Mumbai, India
October 2017-November 2018

- Rotated through 9 departments; created treatment plans and performed procedures for 1,000+ patients
- Demonstrated cross-training through rotations across 9 departments, assisting in surgeries and collaborating with multidisciplinary teams to support patient care for 1,000+ patients.
- Organized 20+ community dental camps, providing preventive care to schoolchildren. Shadowed oncologists and oral surgeons in over 3 major surgeries addressing congenital facial clefts and oral submucous fibrosis (OSMF) cases; developed a strong understanding of surgical procedures, patient care protocols, and complexities involved in treating these conditions
- Led an investigation on oral health QOL of patients after orthodontic treatments.
